

BLANCA PRESS

Professional Press

Large quantities of mixed ironing?
The Blanca Press is your easy, affordable answer!

As a business you can't afford to waste time, effort or money. The trouble is, that's exactly what you are doing if you're still ironing your laundry workload by hand.

The Blanca Press is ideal for commercial users such as guest houses, small hotels, restaurants, residential and nursing homes, small laundries, dry cleaners, ironing services, textile manufacturers and associated industries.

It fills the gap between smaller domestic presses and expensive, large heavy-duty equipment. Unlike domestic presses the Blanca Press will stand up to continuous daily use. It's a commercial press with rugged construction and is exceptionally reliable.

Features / Benefits

- Surface area equal to approx. 10 irons.
- Spray bottle and pressing cushions.
- Pressure applied automatically.
- Variable temperature control.
- Non-stick and easy to clean Teflon coated heating plate.
- Supertherm technology reduces radiated heat, keeping the user cool.
