## SL-Series Washer

# SL-Series Industrial Side-Loading Washers

The SEVE SL series of side-loading washers are hard mounted machines and feature heavy-duty construction, together with fully-stainless steel inner and outer drum and cabinet panels for resistance to corrosion and a long service life.

All models are manually operated, steam-heated and feature an automatic reversing drum action and wash cycle timer. Smaller capacity models are available with electric heating, while the larger capacity machines feature twin compartments and semi-automatic control.

## Key Features

- Fully stainless-steel construction.
- Wash cycle timer.
- Automatic-reverse drum action.

## Essential Data

- Colour: Stainless Steel
- Capacity (kg): 15, 25, 50, 80, 100, 200, 250, 400 or 450
- Heating Source: Electric or Steam (*according to model*)
- Power Supply: 380v/50Hz/3Ph
- Warranty: 1-Year
