

BLANCA LDB

Semi-Industrial Press

The Blanca LDB is one of the largest table-top ironing press available. With a huge 1.2 meter wide pressing area the Blanca LDB is an excellent addition to any laundry where productivity is a priority.

The non-scorching teflon coated heating plate opens to a wide angle, allowing ample space for large items like double sheets or table cloths. With maximum pressure of 75kg and heating power of 2 640W, linen can be folded up to four layers thick

The Blanca Press is ideal for care homes, catering suppliers, boutique hotels, restaurants, laundrettes and more. A mid-sized press for mid-sized laundries, the Blanca LDB answers the need for greater productivity without the need for a full-size, free-standing industrial laundry press.

Features / Benefits

- Surface area equal to approx. 17 irons.
- Pressure applied automatically.
- Variable temperature control.
- Non-stick and easy to clean Teflon coated heating plate.
- Supertherm technology reduces radiated heat, keeping the user cool.
- Heavy-duty, suitable for commercial use.

Specifications

Surface Area (mm)	1200 (w) x 330 (d)
