LT-Series Trolley

LT-380 Wet & Dry Laundry Trolley

This 380-litre laundry trolley has been purpose made to handle bulky items and large amounts of linen. The body is formed from a seamless polyethylene mold and the frame manufactured from a robust mild steel, while four heavy-duty polyurethane castors make the trolley very easy to push or pull. Whether used for the collection of bulk soiled linens, restocking of housekeeping carts, or as poolside towel receptacles, they are versatile, easy to clean and promote sanitary operation.

Key Features

- UV stabilised polyethelene.
- Two fixed, two swivel (one braked) castor for safety and convenience.
- Heavy duty steel frame construction.
- Vertical taper design allows nesting for compact storage when not in use.
- Roll-over edge acts as push/pull handle on any side of the trolley.
